Planning Board Report

August 2018

Ridership Table Notes

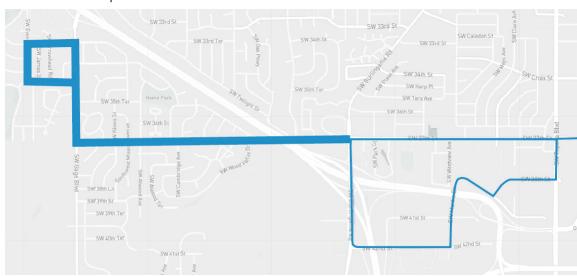

- Line 11: Washburn ridership is down 46% from 2017 levels. There was a significant reduction in passes purchased for foreign-exchange students.
- Lines 21 & 25: We continue to see a shift from TMTA paratranist services to CCT.

Route 5 service extension begins

• Extended service on Route 5 began August 13 with 12 stops.

Long-Range Transit Plan Update

- The second round of the MetroQuest survey launches August 20. It will remain active for 6 weeks.
- The second Steering Committee meeting will be held 12:15- 1:45 pm September 18th.
- A public meeting presenting LRTP results will be held 5-7 pm September 18th at the SNCO Library.

Other Projects

- SOTO
 - 753 trips in the month of July.
 - 5,127 total trips provided through 7/31/18.

PLANNING PROCESSES

- Bus Stop upgrades: Phase 8.3 approved by FTA- 14 sites.
- Agreement reached with Pioneer Group to partner on shelter at 6th & Topeka development (Casson Building).
- Blue Cross/Blue Shield to underwrite shelter at Tyler @ Huntoon.
- Knights of Columbus proposal to fund shelter upgrade.
- Donor plagues will be placed at sponsored stops.
